Don't Let Old Electronics Pile Up...**Learn How to Dispose of Them Responsibly!**

By law, as of January 24, 2013, the Borough of Shillington is no longer allowed to collect electronic waste.

Covered devices include: desktop computers, laptops, monitors, computer peripherals (keyboard, mouse, printer, and speakers, television, or e-readers that browse the Internet. **Because electronic waste can contain hazardous materials that are harmful to human health and the environment, it is very important that these devices are disposed of properly.** Use the resources below to learn more information about how to safely recycle your outdated electronic equipment. *Thank You!*

Resources for Safe Disposal of Electronics:

Berks County Solid Waste Authority

610-478-6362 • www.co.berks.pa.us/swa

Best Buy stores nationwide accept most electronics and large appliances, with a few exceptions, at no charge. You can drop off your electronic waste at your nearest Best Buy location - visit www.bestbuy.com, click on the "Menu" button and on the drop down list, click on "Support & Service" and then click on "Haul Away & Recycling."

The Covered Devices Recycling Act prohibits residents and businesses from placing electronic waste at the curb or in their trash.

Visit earth911.com for additional electronics recycling resources.
