

Due to the continued restrictions mandated by Governor Wolf as a result of the COVID-19 pandemic, the Shillington Borough Council did not hold a monthly meeting in May 2020.

The Governor's restrictions included:

- °A "stay-at-home" order issued;
- °A maximum of ten (10) people permitted to meet indoors;
- °Social distancing of six (6) feet required.

Although emergency meetings were permitted, with specific requirements, Council President John W. Hoffert did not believe that there was any business that was pressing enough to warrant an emergency meeting.

Jan M. Boyd
Borough Secretary
